

## Tri-Point Reversible Screwdrivers

Warwick, RI

25 October, 2006

Moody Tools is proud to announce the newest addition to our line, the **Tri-Point Reversible Screwdrivers**.

Made exclusively to fit the security fasteners in Sanyo & Kyocera cellular telephones, Fuji digital cameras and handheld video games such as Nintendo's GameBoy Advance SP, these hard-to-find drivers will be a welcome addition to the tool box of any electronics repair technician. The chrome vanadium blades are double ended and reversible. The handles are either ESD-safe plastic or blue anodized aluminum.
